MAGRATH COPS JR. HIGH TOURNEY

Thumps Raymond in Finals

Teams from Cardston, St. Mary's Indian School, Magrath and Raymond gathered here on Saturday, February 27 to compete for the trophy given by the Cardston Jr. High School seven years ago and has now become an annual tourney.

Magrath took the trophy home with them for the first time since it was put up for competition, by ousting Raymond in the finals 59-40.

For the winners Roy Cook took the high scoring laurels with a 17 point spree followed by Ririe and Chipman with 11.

Gordon Tychoen was the brightest light on the floor for Raymond as he turned in a 16 point barrage in a losing effort. Walker, Minion and Flexhaug connected for six each.

In the afternoon action Magrath reached the finals by tramping the Cardston five 44-25 with Ganske and Cook topping in 12 and 11 points respectively.

The next game pitted the local Seminary Squad against the scrappy band of Indians from St. Mary's School. The home town squad however, came out on top of the heap by a 53-37 bulge.

Jim Walker was the big gun for the locals as he struck for 16 points followed by Jim Heggie who canned nine. Tychoen and Flexhaug hit the hemp for 8 apiece, while for the losers Gilbert Blackwater was high man with 16.

Magrath took an early lead and when the first quarter was over they were out in front 16-8. The locals fought back and gained a bit of their lost ground, however they were still behind 24-18 at the half way mark.

Had it not been for the fatal third quarter Raymond might have wound up on top but as it was they literally fell apart and when the dust had cleared the score read 42-24 for the visitors.

The two clubs matched points in the finale but our Seminary Saints wound up on the short end of a 59-40 count.

COMETS RETAIN TANNER

TROPHY

Sparked by the Gibb boys and Larry Dahl the local sharpshooting Comets once more stayed off another attempt by the Cardston Cougars to take home the Tanner Challenge Trophy as they dumped the Temple City quintet 70-64 before a packed house of riotous fans.

In the preliminary encounter which pitted the local "B" boys against Cardston, "B" boys in the first game of their best of three semi finals, the visitors came out on top after a grueling battle with a 47-43 bulge.

Jess Gibb set a torrid pace from the opening gong and never let up until it was all over, as a result he checked in with 23 points and high scoring honors for his nights work. Larry Dahl chalked up more points than he has any other time this year with a classy 18. Bob Gibb made the hemp whistle to the tune of 14 points.

Dave Steed checked in with 18 points standing as high man for the losers. He was followed by Lester Lehr and Stan Sheen with 12 and 13 points respectively.

The home town squad took immediate possession of the drivers seat soon after the first toss up and when the first ten minutes of play were done the score board read 19-15 for the Comets.

The second canto was equally as bad for the visiting squad of hoopsters as they were once more out scored 24-16 to shove the score stood 41-31.

In the third frame the Cougars came back on the floor an entirely different

Tommy Renton Can See The Reds In Korea

Although the Korean "War" is not on the headlines these days there is one Raymondite at least that is particularly interested on what's cooking in that part of the world — and that's Tommy Renton who is in the Canadian Black Watch.

Tommy has been in Korea since about the end of last October, after taking his training in Nova Scotia and at Wainwright. At the present time he is on guard duty at the Inchon River where the allies and the Reds are facing each other. Tommy says that he can see the Red positions quite clearly. According to Tommy the Korean thieves are more to be feared than the Reds — at the present time at least! Sleeping bags and tents are the boys' homes but they are eating good and have their own canteen so consider themselves pretty well off.

Tommy is just about ready to take off for Japan where he will enjoy a weeks leave and possibly pick up some more souvenirs like silk kimonos and smoking jackets he has sent to his folks, Mr. and Mrs. Scotty Renton.

The Raymond Recorder is sent to Tommy each week by his folks who tell us that it is really enjoyed in that remote place — thank you Tommy!

Mr. and Mrs. Alan Jensen, Raymond Jensens and Larry Duncombe motored to Lethbridge to visit "Martin Luther" Monday evening after enjoyed a tasty lunch at the Alan Jensens.

About 20 members at the Gospel Message Class taught by Bob Brandley motored to Lethbridge Monday to attend the show Martin Luther. Afterwards they met at the Brandley home for a Pie Bust.

Mr. and Mrs. Ralph Meldrum motored to Cardston on Saturday to visit her parents Mr. and Mrs. Johansen.

Local Children Spend 1743 Days In Red Cross Hospital

Within the past five years, from 1948 to 1953 inclusive nine children from Raymond and area have spent a total of 1743 days in the Alberta Red Cross Crippled Children's hospital, according to figures just compiled.

This includes three years in the "old" hospital and two in the new building, the largest orthopedic hospital in Canada.

Built for children whose parents cannot afford the prolonged hospitalization and medical care that orthopedic cases demand, the hospital belongs to the people of Alberta who contributed greatly to its construction and continue to help maintain it. Polio cases under 16 years of age are admitted under the Government Act while a few other orthopedic cases, that cannot be treated anywhere else in the province, are admitted also on recommendation from the medical staff and hospital board.

During 1953, per diem rate at the hospital was \$8.26, a decrease of 16¢ from 1952. Although children's hospital require more staff than ordinary hospitals gifts in kind from many friends of Red Cross in Alberta lessen the costs by a very large measure. Gifts include the coarser vegetables such as potatoes, carrot, turnips, eggs, bakery goods, tinned goods, dairy products and meats.

Total cost of operating the Alberta Red Cross hospital in 1953 was \$379,269.68 which cared for a total of 446 in-patients and 1,147 out patients. Splints and braces, X-rays, operations, schooling and medical procedures are part of the free service rendered by the hospital. It is estimated that Red Cross will spend \$605,111.00 in Alberta this year although the campaign quota set for the province is \$468,620. A budget of \$92,256 for the operation of the Red Cross hospital is included in the total budget.

Joan Jessop who is in training at St. Michaels, spent a couple of days at home with her family this week.

Mr. and Mrs. Joe Kirkham have had as their guests this week Mr. and Mrs. Gary Kirkham of Blairmore.

Mrs. Margaret King and Mrs. Mabel Henginger returned home on Friday from a two week visit at the Coast where they were guests of Dr. and Mrs. Hall and the George Brewertons.

Hospital Auxiliary Meeting

The Annual meeting of the Raymond Hospital Auxiliary was held Wed. Feb. 17th at the Raymond Hospital. President, Mrs. P. Meldrum opened with roll call and Secretary Mrs. John Roberts read the minutes of previous and yearly meetings.

Treasurer Mrs. Joseph Flexhaug gave her report which was: Intake for last year

569 - 10 expenses 336 - 83 Bank in Balance 232 - 24

Sewing Committee reports that over 353 articles have been mended and 121 articles made. One pair of drapes were remodeled.

The Committee gives thanks to those who so willingly helped. Sick visiting report that there were 6 to 10 visits made each month.

The election of new slate of officers for the forth coming year then took place.

To head the active group this year are, Mrs. J. Zobel, Vice President President Mrs. A. Cooper, 2nd Vice President Mrs. J. O. Turner.

It was voted that the combination of secretary and treasurer take place and Mrs. Joseph Flexhaug is to fill this office. Others officers elected were: Sewing Committee Mrs. P. Meldrum, Mrs. Nishyama for Buying Committee, Mrs. Ted Meeks for Membership Committee, Finance, Mrs. J. Dandard, Nominating, Mrs. Reg Cooper. President - Mrs. R. Meldrum gave thanks to all who helped her and support her in the past year.

A Luncheon and Bazar was held last April which netted the sum of \$311.17. A pencil tag day was also held and was very successful. The main project for last year was to help furnish the nurse's home, chairs were donated by individual members. These were upholstered and repainted, rugs and bedspreads were also furnished. A sewing machine was purchased for the hospital enabling the ladies of the Auxiliary to do a better job of sewing, they also do all the sewing needed at the Hospital. A settee was also purchased for additional seating capacity in the waiting room. Presents for the nurses and kitchen were given at Christmas. Reading material is also provided for the patients by the Auxiliary.

Mr. and Mrs. Bob Brandley were hosts to their Study Class Sunday evening at which Bob presented the interesting lesson. Special guests were Mr. and Mrs. Don Steed and Mrs. Gwenivere Torry.

On Wednesday Mr. and Mrs. Jim Harker brought her mother Mrs. Eliza Rich home with them from the hospital in Magrath where she has been a patient for the past month.

Mr. and Mrs. Charles Innes entertained a few friends this week at a Rook Party. Their guests were the Harold McBrides, Cliff Williams, Norman Allreds, Bill Coppleters and Grant Heggies with Mrs. Heggie winning the prize for High Score and Mrs. Innes the consolation.

While lunch was served amusing experiences were related, causing a great deal of merriment.

Mrs. Jane Brewerton was hostess to the Glee Ette Club when they met Monday for their evening of singing. Mrs. Dorothy Nielson was co-hostess.

Karen McLean and Geraldine Kenny were visitors in Calgary for a couple of days this week.

Mr. and Mrs. Charles Innes have as their guests this week Mr. Harpell of Owen Sound, Ontario.

Air Cadet Notes

Monday March 8th

About seventy-five fathers and sons attended the Father and Son Banquet held last Monday at the Legion Hall. The Ladies Auxiliary of the Legion catered for the occasion.

The evening got under way with the singing of "O Canada" and a delicious chicken supper was served. After the supper Officer Stone gave a toast to the Queen.

The Chairman was Dick Kinsey. On the program, Fraser Grant played a trumpet solo and Malcolm Flexhaug gave a speech on the Air Cadet Summer Camp held in Abbotsford last summer.

Our guest speaker was supposed to have been Mr. Hyams, but due to an automobile accident he was not able available so Bob Zobel, who filled in, and gave an interesting talk on how the cadet organization was formed and what good it does to the younger generations.

The evening was topped off with a film "Learn and Live." A wonderful, educational film about how foolish accidents can happen.

Civilian Officer M. Takeda thanked the fathers for coming out and making it a wonderful occasion.

NOTICE

The Internationally famous Royal Canadian Air Force Band will be here in Raymond on April 5th at the Opera House and is sponsored by the 565 Raymond Air Cadet Squadron.

It is under the musical direction of Flying Officer L. D. Corcoran.

It is a two hour program of modern and military music. A dance will be held after the program. The time is 7:45 pm sharp and the admission is \$1.00 for Adults and 35c for children 12 and under.

When the Band appeared last year, many were sorry they didn't attend the concert and those that did attend enjoyed every moment of it. This year we would like everyone to attend and enjoy the wonderful music and the gala dance that follows.

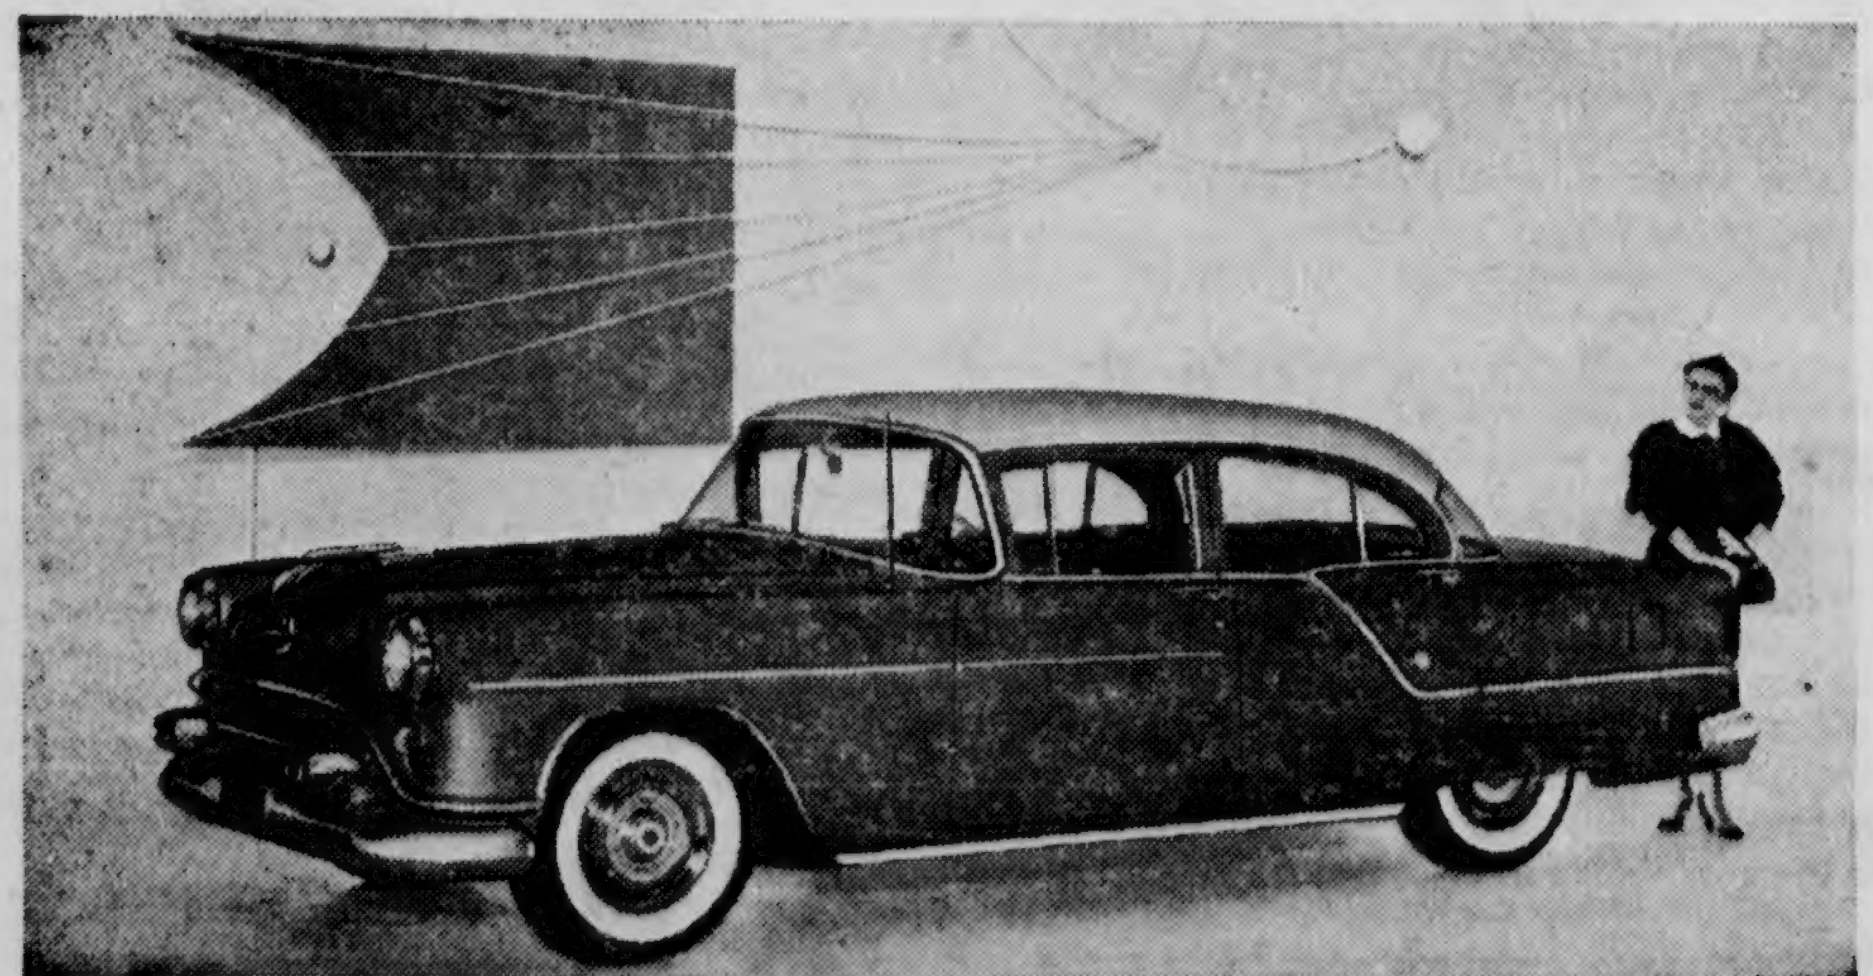

Tickets may be purchased from any one of the Cadets, so we hope we see you there.

1954 OLDSMOBILE SUPER "88" FOUR-DOOR SEDAN

Road-hugging beauty and a smooth ride are characteristic of this lowest of Oldsmobiles, the 1954 model, with road height of 60.5 inches as exemplified in this Super "88" four-door sedan. The custom-styled panoramic windshield greatly increases forward vision and helps accent the low contour hood and rear deck. The wraparound windshield gracefully merges with the new keystone-shaped wind vent. The cowlipe ventilator with stainless steel intake grille improves the heating and fresh air ventilation system, which is incorporated in a compact unit at the rear of the engine compartment. Interior appointments are luxurious, with three upholstery color choices in two types of nylon cloth. Powering the Super "88" is a more powerful 185 h.p. "Rocket" engine with 8.25 to 1 compression ratio. Safety power steering, power brakes, Hydra-Matic Drive, Autronic Eye, two-tone paint, rear wheel fender panels and white wall tires are optional extras.

team and were it not for some mighty fancy hanging on the locals would have been swamped worse than they were. As it was the visitors went to town and struck for 18 points, five more than their hosts, to run a three quarter count to 54-49 still however for the Comets.

The two clubs matched points in the finale with the locals doing a fine job of holding down the band of hepped up court warriors.

Although Cardston gave it all they had, they ended up on the short portion of a 70-64 score.

The Mustangs were not as fortunate, however, as the Comets, as they were set down to a 47-43 deficit. Kennard and Spencer combined for 13 and 14 points respectively to pace their club to victory.

Minion canned 15 points for the losers for high scoring honors, while Atwood struck for nine. Galbraith and Stetter collected six each.

The game was close all the way but the locals just couldn't seem to click at the right times to bring home the bacon.

Cardston went ahead eight to ten in the opening frame but by half time

were only out in front by one point as the score read 24-23. When the three quarter time bell sounded they had once more gained a little ground. The score was 38-35. They outscored their hosts by one point in the finale to finish up with a 47-43 score.

Mrs. Helen Piepgrass entertained last week in honor of Mrs. Pearl Nilsson who was visiting in town. Long time friends, Mesdames Lucille Shaw, Bertha Stone, Mae Selman, Alice Powelson and Reeva Heggie spent a pleasant evening chatting and reminiscing of past good times. A delightful lunch was served to the guests.

Japanese-Canadian Trade

Japan's rice crop is the poorest in 19 years and imports must increase 50 per cent. That nation can ill afford larger imports now. Japanese exports are paying for a little over half the import bill.

Japan is an good customer of Canada. Last year 18,000,000 bushels of wheat and 10,400,000 bushels of barley were exported thereto. Japan bought Canadian products to the value of \$115,000,000 but sold to Canada only \$12,000,000 worth of goods.

Facing 1954

This new year I'd like to do. Some of the tasks I've dreamed of doing, yet have never started — Thinking them too great, or perhaps Too hard for me.

This new year I'll try Some of those impossible tasks I've always wanted to do — The ones that rose so high And mighty in front of me, Making me think that I couldn't, But I can, if I try.

This new year I'll do these tasks I've held as my ideals, so far off They have seemed, though so real — I'll do them as I never dreamed I could.

I can, I will, I must!

Unusual Salad

One evening, some friends having dropped in, I opened a large can of chicken and started to make a salad. In order to increase the amount I stirred in, with the usual celery and mayonnaise, cubes of cold boiled potato. Then to give flecks of color, thought I'd slice in several stuffed olives, but found none on hand. Green pea, then? None of them either, and no parsley. Looking through the refrigerator to see what was on hand I came upon a small cluster of seedless grapes and about an ounce of nuts meats. Would these serve?

As an experiment, I mixed a few of each into a dab of the other ingredi-

ents, on a separate plate—broke the nuts, but used the grapes whole—tasted critically and concluded that a certain piquancy had been added to the flavor. So into main dish went the rest of the grapes and nuts.

Later, as we sat at supper, the guests asked with frank appreciation what had been put into the salad to give it "that exotic touch." And, of course, I very gladly told them.

It costs a few cents, but it's helped me out many a time. That's why I always carry a roll of cellulose tape in the glove compartment of my car as well as my overnight bag. Here's how you can use it:

(1) Put tape over the lock of your car door to keep it from freezing in sleety weather.

(2) Repair torn road maps or make temporary repairs on ripped upholstery in the car.

(3) If you're without a needle and thread, a piece of cellulose tape will hold up a ripped hem until you get home.

(4) To remove lint from your clothes wrap tape around your hand, sticky side out, and pat lightly over the surface.

(5) Seal cosmetic bottles with tape to prevent leakage.

No matter where you travel, cellulose tape is one thing you should never be without.

RAYMOND Is Going To Have A Community Birthday Calendar

The Project is Being Sponsored by
THE RAYMOND LIONS CLUB

This will be the most interesting and informative calendar you have ever seen in your life.

Everyone living in Raymond and the surrounding area may have their names printed in the calendar. . . . On the date on which their birthdays fall. Everyone in town will know when your Birthday comes. (But it doesn't tell how old you are.) And you will know when everyone else has a Birthday. The calendar will also show the Anniversary of the married couples in our community. It is going to be fun for everyone.

On the front of the calendar will appear a scene of Raymond.

There will be eighteen ads of local business firms on the Calendar. Some will be offering you something special on your Birthday.

The meeting dates of our local clubs and organizations will be listed. Church and School affairs, programs and community social events will be listed on the dates they will occur. We'll all know in advance what's going on in town.

Yes, this is something we have needed in Raymond for a long time.

The Lions Club is going to ask each person to pay 25 cents to have their name listed in the Calendar. It will be printed on the date of your Birthday. And each family may buy a Calendar for only 50 cents (extra calendars may be ordered to send to friends or relatives that live away, who would like to have a Home Town Community Birthday Calendar.) Business firms may buy extras for their office, shop or store.

All the proceeds taken in by the Lions Club on this project, with the exception of the actual cost of printing the Calendar, will be used for Community Service Projects.

Within next few days a member of the Lions Club will be calling at your home to secure the names and birthdays of all members of your family. Welcome them when they call. Help us to make this project an outstanding success and to make your friendly Community even more Friendly.

We submit the following as a summary of the Community Projects undertaken by this Club since its inception in 1942.

1. 3,000 Student Eye Examinations.
2. 18 pair of glasses purchased for needy students.
3. Rebuilt, painted and completely operated the Skating Rink for one year and assisted in maintenance on other occasions.
4. Landscaped and planted the Municipal Hospital Grounds.
5. Sponsored TB and X-Ray Clinics.
6. Sponsored Junior Baseball.
7. Assisted in canvass of Victory Loan Drives.
8. Sponsored the University Chorus.
9. Responsible for, and completely sponsored the Raymond Stampede for three years.

Our present projects include: One completed children's playground, and one to be completed this year. This project to be further extended to include four such playgrounds.

These projects, plus others not listed, represent a total of some \$10,000 in actual cash distribution plus 10,000 man hours of work.

Effort of this nature is not possible without Community support, and in this connection we wish to express thanks for your past co-operation and solicit the same again in this project.

CANADIAN GIFT OF \$5,000 FOR ENGLISH PARISH CHURCH: A gift of \$5,000 has been received by the little parish of Bear Wood not many miles from Windsor Castle, England. The money was sent by the General Synod of the Church of England in Canada to assist in the restoration and repair of the parish church. The gift will act as a reminder of the First World War link between Bear Wood and the Dominion, for then there was a Canadian Red Cross Hospital in Bear Wood and many Canadians lie buried in the parish churchyard.

Provincial Legislature Report

Problems of the education system, Alberta's teacher shortage and school construction shaped up this week as one of the major issues facing the provincial legislature after the house agreed to conduct special hearings during the present session.

The house decision to investigate the education issue came on the heels of Education Minister A. O. Aalborg's announcement that the government wants to set up a six-week short course at the University of Alberta to allow high school graduates to become "student teachers."

Harold E. Tanner (Lib. Edmonton) proposed the motion which cleared the way for the investigation, and an amendment brought in by Aalborg directed the legislature's agriculture, colonization, immigration and education committee to "investigate and report on matters affecting the shortage of teachers in Alberta, school construction and all matters affecting education."

The committee is comprised of the entire membership of the legislature, and it is expected special morning sittings will be held to hear representatives of the Alberta Teachers' Association, the School Trustees' Association, the Home and School groups, and other organizations.

The throne speech debate moved along speedily this week after the majority of cabinet ministers and leaders of the opposition parties took their turns in addressing the house.

Opposition Leader, J. Harper Prowse head of the four-man Liberal block, called for the appointment of a Highways Commission to make long-term planning and suggested the use of concrete for main trunk roads to cut down heavy maintenance costs. He said many roads hadn't been built to stand

up over long periods of time and that taxpayers were not getting their money's worth in road construction. Prowse's remarks drew the ire of Highways Minister Gordon Taylor, who said in his address that the Liberal leader's comments were a "discredit" to the province.

CCF leader Elmer Roper urged the government to set up a crown company to build the gathering system which will be set up in connection with gas export. He said "we are faced with the prospect of having a private monopoly perform a public function," and said the Social Credit government is "handing assured profits" to private capital.

Progressive Conservative house leader, J. Percy Page, said that although his party had gone on record favoring more liquor outlets, he personally favored the banning of mixed drinking throughout the entire province.

Industries and Labor Minister Norman Willmore, making his first address as a cabinet minister, said that Alberta has the best labor record of any province in Canada and credited healthy relations between labor and management for the fact that there were only one strike in the province last year.

The throne speech debate is expected to be concluded by the middle of March, when Premier E. C. Manning will hand down his budget for the coming fiscal year. Political observers expect the budget to call for expenditures of about \$185,000,000, an all time record.

Completion of the budget debate will be followed by a study of the estimates, possibly the most important phase of the entire session. All members of the house will have an opportunity to give close scrutiny to government expenditures as they go over the estimates item by item.
